Using the Application Website

- NSLI-Y recommends using one of the following web browsers: Firefox 3 or higher (preferred), Chrome 16 or higher, Safari 3.1 or higher.
- Add nsliy@americancouncils.org to your e-mail's safe sender list to help prevent messages from being blocked as spam or junk mail. (This is particularly important for Yahoo, K12, and AOL email users.)
- Fields marked with a red asterisk (*) are required. You will not be able to submit your application if any required field has not been completed.
- Unless otherwise noted, U.S. Eastern Time is displayed on the application website.
- The online application form is comprised of several sections (pages). They are listed in the "Sections" menu that can be found in the navigation menu at the left side of each page, as well as in the Table of Contents on page one. You may select any section from the menu to jump to that section. You may also press the → (next) and ← (previous) arrows to switch to the next and previous sections of the form.
- **NSLI-Y recommends that you prepare and save the host family letter and short essays in a word processing program, such as Microsoft Word.** You may copy and paste your essays into your application once you have completed them in a word processing program.
- NSLI-Y recommends saving your work often using the “Save Changes” button at the bottom of each page as the application website will time out after periods of inactivity and any unsaved changes will be lost. Saving changes periodically will also protect you from losing work due to loss of Internet connection or accidental computer shut down.
- It is not necessary to complete your application in one sitting or session. To continue later, press the “Save Changes” button that can be found at the bottom of each page, and then log out of the system. You can log in again at any time until the application deadline, and continue to complete or edit your application. When you sign in to the website in the future, the application you started will be found under “My Forms,” and you will click “Edit” and choose the application section to continue where you left off.

Getting Started

- Proceed to the application website: https://ais.americancouncils.org/nsliy.
- In the “Create New Account” section, provide the requested registration information to make your new account. Provide your legal first and last name. Click the ‘Create new account’ button to finish. Note your username and password in a safe place so you can log-in again later. If you already have an account from a prior NSLI-Y application, you may use that account.
• Check your email inbox for a verification email from nsly@americancouncils.org. (If you did not add these emails to your email’s safe sender list, the verification email may be directed to your spam or junk mail folder.) Click the verification link, which will authorize your account and sign you in.
• From “Available Forms,” select “NSLI-Y Application for High School Students in the U.S.” by clicking the “Start” link.

Important Reminders:

• The deadline for the online application is **Wednesday, October 30, 2019 at 4pm Eastern Time.** NSLI-Y and American Councils for International Education bear no responsibility for data transmission problems in submitting the application.
• NSLI-Y strongly encourages that applicants ask any questions and submit their applications well in advance before October 30, 2019.
• If you have any questions or confront any technical problems with the online application, please email nsly@americancouncils.org. When emailing, please use the following subject line convention: **Reference Code, Last Name, First Name: Email Subject** (Ex: ABCE1234, Doe, Jane: Question about application). **Note:** Your reference code is the eight-digit, randomly-assigned code at the top of your application with four letters and four numbers that identifies your unique application.

Section 1, Section 2, Section 3: About the Application

Review Section 1 for the list of 2020-21 application sections.

Review Section 2 to learn about the history and mission of NSLI-Y as well as other U.S. Department of State programs.

Review Section 3 to learn about the 2020-21 NSLI-Y application and associated deadlines you will be responsible for meeting. This section provides information on how to navigate the online application.

Section 4: Personal Information – About You

Questions 1 – 5: Enter your complete legal first and last name, gender, date of birth, and place of birth. If applicable, provide your preferred nickname or name that you are commonly called in Question 2. Provide your date of birth in the following format: Mmm, dd, YYYY (example – Sep
30, 2002). Make sure it is your date of birth and not your parent’s date of birth; we see a few of those mistakes each year.

Question 6: Indicate if you have a valid U.S. passport.

Note: Although a valid U.S. passport is not required at the time of application, all NSLI-Y semi-finalists should be prepared to submit passport information by late February 2020. NSLI-Y finalists will be expected to have a valid passport for at least six months after their anticipated program end date. This means that summer finalists should have passports that are valid until March 2021; Academic year finalists should have passports that are valid until January 2022. (If you are selected to go to Russia, your passport must be valid for 18 months after your anticipated return to the U.S., and if you are selected to go to Russia, India or China, your parent(s) or legal guardian(s) may also be required to provide a valid passport(s) or residency documentation. If selected, please be aware that your U.S. passport may need to be available for up to 3 months prior to the program start for visa processing.

Question 7: If applicable, indicate dual citizenship that you have for any country other than the U.S.A.

Question 8-9: In Question 8, provide your full mailing address – the address where your mail should be sent. If your physical address is different from your mailing address, provide your full physical address in Question 9.

Question 10: Provide at least one telephone number and indicate the type of phone. There is room to input an alternate number and if you wish to provide a third phone number, do so in the field labeled “Other Telephone, if any” and indicate whose telephone it is. Only one telephone number is required.

Question 13-14: Provide your primary and alternate email addresses. NSLI-Y requires applicants provide one email address, but it is extremely useful to have an alternate email address on file. You may provide an email address of a parent/legal guardian for the alternate email address if you only have one email address.

Note: E-mail is the main mode of contact for communications that you will receive from NSLI-Y Administration. Please provide the e-mail address you will check most frequently as your primary e-mail address.
Section 5: Personal Information – School Information

Question 1: Provide information about your current grade level.

Question 2: Provide the date which you anticipate graduating from high school in the following format: Mmm YYYY (example – Jun 2020).

Question 3 – 9: Provide the name and mailing address for your high school.

Note: If you are home-schooled, please enter the following:
• For the School Name field, enter "Home School"
• For the school address, enter your home address

Section 6: Personal Information – Family Information

Question 1: Provide background and contact information about each and every parent/legal guardian. One telephone number and an email address are required. Only input the address of the parent/legal guardian if it is different than your physical address. Adding information about the parent/legal guardian passport status is optional. NSLI-Y provides a space to collect this information as it may impact the visa application process for certain NSLI-Y host countries. The information would not be considered when evaluating and selecting participants. To add an additional parent/legal guardian, press the “Add 1 More” button. To delete a parent/legal guardian, click the “Delete” link.

Note: Any parent/legal guardian listed in your application must be identified by the same name in other forms that require the name and signature of parents/legal guardians (i.e. Terms and Conditions and program acceptance forms). If any parent/legal guardian name appears to be different on other NSLI-Y forms, our team will have to follow up with you to ensure it is the same person.

Question 2: If applicable, provide information about each of your siblings or other household members who are also applying for NSLI-Y this year. To add an additional sibling, press the “Add 1 More” button. To delete a sibling, click the “Delete” link.

Question 3: Provide information for at least one adult who does not live with you who will serve as your alternate emergency contact person. You must input one telephone number and an email address for your alternate emergency contact person.
Section 7: Personal Information – Certify Your Eligibility

Question 1 – 4: Review the eligibility requirements of the 2020-21 NSLI-Y Program. To certify that you meet the requirements, choose “True” for each requirement.

Section 15: Recommendation Requests – Teacher Recommendation

You may ask any academic instructor or counselor who can attest to your readiness to be an exchange student to write your Teacher Recommendation. It is a good idea to ask an individual with whom you have taken a class or worked within the last two years.

For home-schooled students, the Teacher Recommendation must be completed by an adult who is not related to the student. Possible individuals may include, but are not limited to, scout leaders, coaches, clergy members, volunteer coordinators, and instructors.

As soon as you decide to apply for NSLI-Y, you should talk to your potential recommender to ask if he or she is willing to provide you with this recommendation. If he or she agrees, give them the Teacher Recommender Instructions. You can download this document by pressing the “Document” link in the left-most column of the table. Additionally, you can find an informational document for the Teacher Recommendation at http://www.nsliforyouth.org/how-to-apply/.

To send your request to your teacher:
- Provide the teacher’s contact information in the corresponding fields
- Press the “Save Changes” button at the bottom of the page
- Press “Request Recommendation” to send your request to your teacher. (This button will appear after you press “Save Changes.”)

Your teacher must complete and submit the Online Teacher Recommendation by November 6, 2019 at 4:00 P.M. U.S. Eastern Time.

Make sure to confirm with your teacher that he or she received the email message and can access the form. If your teacher does not receive the email message, first suggest he or she check the spam or junk mail box. Note that K12 email addresses often have strong spam filters. If he or she still cannot find it, only then come back to this page and press the "Request Recommendation" button again, to send another message. You are also able to monitor your teacher’s progress within this section – it will state when the recommendation link has been ‘opened’, and when the teacher has ‘started’, ‘saved’, and ‘submitted’ the recommendation. Further, if the recommender has not already submitted the recommendation, you can change contact information input in this section and press the “Request Recommendation” button after
you have submitted your application until **November 6, 2019 at 4:00 P.M. U.S. Eastern Time**, if necessary.

**Be careful!** If you change your teacher’s name or email address after sending the notification message, it will cancel your previous request and disable his/her secure link to the online form. It will also erase any online recommendation form that was already in progress or had already been submitted. An erased recommendation form cannot be retrieved. Consider this before changing the contact information.

*Note:* Teachers can check their recommendations after submitting and make changes, if necessary, until the final deadline of **November 6, 2019 at 4:00 P.M. U.S. Eastern Time**.

**Section 16: Recommendation Requests – Parent/Legal Guardian Statement**

Ask one parent or legal guardian to provide you with this statement in support of your NSLI-Y application and give them the Parent/Legal Guardian Instructions. You can download this document by pressing the “Document” link in the left-most column of the table. Additionally, you can find an informational document for the Parent/Legal Guardian Statement at [http://www.nsliforyouth.org/how-to-apply/](http://www.nsliforyouth.org/how-to-apply/).

To send your request to your parent/legal guardian:

- Provide your parent’s information in the corresponding fields
- Press the “Save Changes” button at the bottom of the page
- Press “Request Statement” to send your request to your parent/legal guardian. (This button will appear after you press “Save Changes.”)

Your parent/legal guardian must complete and submit the Online Parent/Legal Guardian Statement by **November 6, 2019 at 4:00 P.M. U.S. Eastern Time**.

If your parent/legal guardian does not speak English, he/she may provide a written translation of his/her statement. Past applicants have asked older siblings or other relatives to provide this translation. Applicants should not provide the translation. If your parent or legal guardian submits a translated statement, ensure it is noted in the statement submitted online.

Confirm with your parent/legal guardian that he or she received the email message and can access the form. **If your parent/legal guardian does not receive the email message, first suggest he or she check the spam or junk mail box.** If he or she still cannot find it, only then return to this page and press the "Request Statement Again" button again, to send another message. You are also able to monitor your parent/legal guardian’s progress within this section – it will state when the link has been ‘opened’, and when your parent/legal guardian has ‘started’, ‘saved’, and
‘submitted’ his or her statement. Further, if the parent/legal guardian has not already submitted the statement, you can change contact information input in this section and press the “Request Statement” button after you have submitted your application until November 6, 2019 at 4:00 P.M. U.S. Eastern Time, if necessary.

Be careful! If you change your parent or legal guardian’s name or email address after sending the notification message, it will cancel your previous request and disable his/her secure link to the online form. It will also erase any online statement form that was already in progress or had already been submitted. An erased statement form cannot be retrieved. Consider this before changing the contact information.

Note: Parents/guardians can check their statements after submitting and make changes, if necessary, until the final deadline of November 6, 2019 at 4:00 P.M. U.S. Eastern Time.

Section 17: Placement Information – Program Preferences

Questions 1 – 2: Indicate your preferred language and program duration choices. Select the language and duration preference by clicking on the drop-down menu next to “Indicate Your Preference.” After selecting the language and duration, click “add.” Your selected preference will appear in a chart below. At least one preference is required, but you may also indicate a second preference. You can change the ranking of your preferences by using the “up” or “down” buttons. The number of ranking will appear in the first column with “1” indicating your first preference. You can remove a preference by clicking the “delete” button. Review the eligibility grid and ensure that your date of birth falls within the eligible date range for the program(s) you have chosen. Provide a brief explanation (175 words or less) of your language preference(s). Consider concentrating your explanation on your first preference. If you have experience in any of the NSLI-Y languages you indicated as a program preference in this application, you will be asked to complete a self-assessment in section 23.

Note: Indonesian, Persian (Tajiki), and Turkish are only offered for the Summer duration.

Questions 1 – 4: Provide responses to the requested health questions. If you answered “Yes” to any question, please provide a detailed explanation in the fields that follow. This information will NOT be taken into consideration in the selection process.

Question 5: Read the certification statement. To acknowledge your certification, select “Yes” and type your full name, which will serve as your electronic signature.
Section 20: Self Introduction to Host Family and Language Instructors

Your letter must not exceed 500 words and must be written in English. Any minimum and maximum word counts specified in the instructions will be as indicated by the word counter tool used in the Online Application form. To check your word count within the application, you can copy/paste your letter into the field and press the “Save Changes” button at the bottom of the page, which will update your word count.

Because the Online Application website may time out after periods of inactivity, NSLI-Y recommends that you prepare and save this host family letter in a separate word processing program, like Microsoft Word, so you do not lose any written work.

Your letter will be read as part of your application and may be shared with your host family, if you are selected. Consider formatting your response like an actual letter with a salutation and closing.

Section 21: Essays

First Essay: In 250 words or less, list and explain three (3) reasons why you want to participate in NSLI-Y.

Second Essay: In 250 words or less, respond to one of the two topics. Indicate which topic you have chosen by selecting A or B.

Your essays must be written in English. Any minimum and maximum word counts specified in the instructions will be as indicated by the word counter tool used in the Online Application form. To check your word count within the application, you can copy/paste your essay into the field and press the “Save Changes” button at the bottom of the page, which will update your word count.

Because the Online Application website may time out after periods of inactivity, NSLI-Y recommends that you prepare and save your essays in a separate word processing program, like Microsoft Word, so you do not lose any written work.

To add an additional STARTALK program, press the “Add 1 More” button.

Section 23: Language Experience: Self-Assessment of NSLI-Y Language Preferences

Question 1 – 2: You will see your language preference(s) listed. Indicate if you have studied the listed language(s) in a formal classroom setting, studied the language(s) independently, or the language(s) are spoken in your home.

If you answer yes to Question 1, 2, or 3, you will be prompted to respond to additional questions that will help NSLI-Y gauge your current proficiency level. Please be honest and accurate about your proficiency because it is used for placement purposes, if you are selected as a finalist.

If you answer no to Questions 1, 2, and 3, move directly to the next section.

Section 24: Review and Submit

Before you submit your application:
- Review all sections. Make sure you have answered all the questions and required fields.
• Download any documents that must be submitted separately by mail from sections 13 and 14 (for example, transcript request forms).

If you are ready to submit your application, read the certification statement and indicate that you have understood the statement by clicking “Yes.” Certify your acknowledgement by typing your name, which will serve as your electronic signature. To submit your application for evaluation, press the "Submit Your Application" button. You will receive an auto-generated email from nsly@americanCouncils.org if your application has successfully been submitted.

After pressing “Submit Your Application”, any sections with missing answers will be clearly marked in the left-hand navigation. Also, the questions themselves will be clearly marked as well with a box and red highlighting. Review your application again, enter any missing information, and then attempt to re-submit your application.

Once you submit your application, you will no longer be able to make changes in most sections. As mentioned in sections 15 and 16, you will still be able to change contact information related to your teacher recommendation and parent statement, and press the ‘Request Recommendation’ and ‘Request Statement’ buttons after submitting your application. You will also continue to be able to view your application online via this system with your existing login credentials.
